workshop

Monday, 17th December 2018

Prof. Laura Herz
Department of Physics, University of Oxford, UK

The glass ceiling - myth and reality

About to get your PhD and not sure what to do next? Research is fun, but is it also a career? What about having a family AND a job?

In this workshop we will explore together what it is like to pursue an academic career, what it needs to get you there, and how to reconcile a demanding yet interesting job with a fulfilling family life.

Time: 1.00 p.m.
Place: Social room Soft Matter Optoelectronics, EP II, NWI
Some refreshments (coffee etc.) will be provided

Individual Mentoring by Prof. Herz for interested students will be possible from 17th-21st December 2018, time by appointment.

Invited by Anna Köhler, EP II
